PREFACE.

THE PUBLISHER, in presenting his Fourth Edition of the STRATFORD DIRECTORY, begs to thank the people for the liberal support he has received, and also for the very flattering manner in which his Third Edition has been spoken of after standing the searching criticism of two years. It is hoped the new Directory will meet with the same favor and stand the test of time as every means has been taken to render it accurate and up-to-date in every detail known by Progressive Directory Publishers. The work will be published by me every two years, and I hope merchants and business men generally who want the best will receive their orders till they see me.

C. H. HOUSTON, Prop.
Investment Dept., Stratford, Ont.

High-class Office Stationary indicates taste and stability. Slovenly stationary the reverse. The **BEACON'S** Job Department produces only one kind—the highest class—but the prices are not high in proportion. The best costs no more than the worst.
