

## **Bateman Family**

### **Index**

#### **Section 1: Bateman Family Tree**

- Names and identification number of each descendant of Richard Bateman [45] and Mary *O'Neill* Bateman [46]. Each new generation is indented. It should be noted that the tree is not complete. It contains only those members for which there is a photo or other documentation.

#### **Note on Organization of the Family Tree:**

1. Each person has been designated a number which correlates to their position on the family tree. The first two identified members of the family are each given a number. Each consecutive child is then given a letter to the end of that number. For example, the first child is 1-2a, the second child is 1-2b, and so on. The numbering system continues with each new generation being given an additional letter signifying their position within the tree.
2. Each spouse of a direct descendant is designated with Sp. for Spouse. For example, if they are married to the third child in the family tree, they would be numbered as, "1-2c.Sp." If they have more than more spouse, it will be denoted by a number after the Sp. "1-2c.Sp.2."

If an individual in this family tree is connected to another family associated with the project, that person's identification number will change in their second tree.

#### **Section 2: Family photographs and archival documents**

- Includes photographs and source documents related to each family member.
