HŌM

Savouring the Extraordinary

In the heart of Listowel, where small-town charm meets culinary innovation, you'll find Hōm—a casual fine dining restaurant that's redefining what it means to eat local in Perth County.

Founded in late 2021 by husband-and-wife duo Chris and Emily Campbell, Hōm was born out of a shared dream: to craft an unforgettable dining experience that blends international inspiration with the warmth of home. After years of honing their skills, Chris in the kitchen and Emily in front-of-house hospitality, the Campbells planted roots in Perth County.

From the moment you step into the inviting dining room, or settle into a seat on the patio, it's clear that Hōm is more than just a restaurant. It's a place where food tells a story of seasons, craftsmanship, and of homegrown pride. With a menu grounded in French technique and lifted by global flavours, every dish is a celebration of local, fresh ingredients.

Whether you're stopping in for Wednesday Burger Night, sipping a contemporary cocktail with friends, or indulging in their highly acclaimed five-course tasting menu, you're in for an experience that's thoughtful and bursting with flavour.

Hōm strikes the perfect balance between comfort and sophistication, built on the belief that great meals begin with passion, fresh ingredients, and a sense of home.
