PREFACE

THE PUBLISHER, in presenting his Seventh Edition of the STRATFORD DIRECTORY, begs to thank the people for the liberal support he has received. It is hoped that the new Directory will meet with the approval of the subscribers and stand the test of time, as every means has been taken to render it accurate and up-to-date in every detail known by progressive Directory Publishers. The work will be published by me every year, and I hope merchants and business men generally, who want the very best will reserve their orders till they see me.
