KLOMPS HOME AND GARDEN

Family-Grown, Community-Focused

For over 40 years, Klomp's Home & Garden has been a trusted name in Perth South. Founded in 1982 by Marty Klomp, the business moved to its current location in 1986 and has since grown into a year-round destination for plants, décor, and garden services.

Their destination garden centre features vibrant seasonal plants, perennials, trees, and shrubs, complemented by unique décor, gifts, and accessories. Expansions over the years have included production greenhouses, allowing Klomp's to supply nearly 90% of the annual flowers they sell to customers. With knowledgeable staff offering planting advice, creative ideas, and personalized service, Klomp's has earned loyal customers for more than four decades.

Klomp's is passionate about giving back to the community that has supported them for decades. They regularly provide donations for charity events, local non-profits, schools, and sports teams. Their annual November Ladies Night blends shopping, seminars, and demonstrations while raising funds for the Emily Murphy Centre.

They also work with local schools such as Downie Center on fundraisers and educational programs. By teaching students about tree planting, the benefits of green spaces, and sustainability, Klomp's is planting the seeds of tomorrow and supporting the future of Perth County.

Today, Klomp's Home & Garden continues to offer a wide selection of plants, décor, seasonal displays, and garden products, all delivered with the same dedication to quality and service that began in 1982. For Klomp's, "Experience Good Nature" is more than a slogan; it's an invitation to explore, learn, and grow together.
