MOO'S ICE CREAM SHOP

Sweet Success

Moo's Ice Cream Shop has become a beloved fixture in Shakespeare, thanks to the passion and dedication of its owners. Behind the counter, Rhonda Grubb and her brother Kevin Straus approach their business as more than just a place for a sweet treat; it's a labor of love that transforms a simple scoop into a memorable experience.

Rhonda shares the story of how Moo's came to be: "One day, we were driving by and saw this place for sale," she says with a twinkle of nostalgia. "We decided, hey, that might be fun to open up an ice cream shop." Moo's quickly made a name for itself with an impressive selection of 34 flavours, including classic favourites and unique creations. As a vibrant community hub, Moo's attracts both locals and tourists who come for the unique flavors and inviting atmosphere.

The shop's charm is evident in its warm, inviting atmosphere and the playful cow-themed decorations that add a nostalgic touch. Rhonda and Kevin's commitment to quality is reflected in every scoop of Kawartha Dairy ice cream they serve. Moo's Ice Cream Shop embodies the essence of community and simple joys. It's a testament to how a genuine passion for what you do can transform a summer treat into a treasured experience.

With its warm, inviting atmosphere and dedication to quality, Moo's has become a special place where every visit feels like a celebration.
