ACRE75 GATHERED

Bringing Small Town Canada to Your Door, One Box at a Time

Acre75 Gathered is a Canadian subscription box that celebrates the charm of small-town life, founded by Virginia, who grew up on a 75-acre farm. Inspired by the close-knit communities she knew as a child, Acre75 connects Canadians with locally-made goods from small towns across the country. Each season, Virginia collaborates with small-town makers to curate a box filled with unique, handcrafted items that reflect the character and spirit of rural Canada.

Acre75 isn't just about offering beautiful, handmade products—it's also about supporting local economies. By showcasing goods from towns with populations under 30,000, Acre75 helps small businesses reach a wider audience and thrive. The company's commitment to community extends beyond its products, with over \$4,000 donated to rural mental health initiatives across Canada.

Recognized for its dedication to giving back, Acre75 Gathered has earned multiple awards, including Best Subscription Box That Gives Back and Best Overall Box in the Canadian Subscription Box Awards. With every box, Virginia brings a piece of small-town Canada to homes nationwide, supporting local artisans and promoting the values that make small towns so special.
