STARLINGS & ROSES BNB

Hospitality in Full Bloom

Starlings & Roses Bed and Breakfast is a charming all-season boutique escape in the heart of Mitchell, Ontario. Owners Ken and Rita, both retired professionals, have turned their passion for hospitality into a welcoming haven for guests seeking comfort, beauty, and a touch of indulgence.

Long-time residents of Mitchell, Ken and Rita embraced the chance to transform their lovingly restored century home into a retreat that reflects the charm of small-town living. Since opening in February 2023, Starlings & Roses has earned consistent 5-star reviews on TripAdvisor.

Guests enjoy fine accommodations, a cozy lounge with billiards, and a seasonal heated pool surrounded by lush gardens that attract birds, butterflies, and plenty of admiration.

One of the unique features of Starlings & Roses is the easy access to the nearby West Perth Nature Trail and Wetlands. Guests can begin their walk right from the garden gate at the back of the half acre property, follow a path past historic gravestones in the old cemetery, then cross Highway 23 to join the scenic trail along the Thames River leading all the way to Lion's Park. There, a delightful little animal park awaits with goats, donkeys, ducks, chickens, rabbits, and a stunning albino peacock. It's a one-of-a-kind local experience that guests of all ages love discovering.

"We wanted to create a space where people could truly unwind," they say. "Mitchell is a small-town heaven and we love sharing that feeling." Whether it's curated meals, peaceful outdoor spaces, or simply a quiet moment in nature, Starlings & Roses offers a chance to relax, reconnect, and enjoy the thoughtful touches of a truly memorable stay.
