THE ITTY BITTY YARN CO.

Exclusive Yarns, Inclusive Community

Located in the heart of Mitchell, Ontario, The Itty Bitty Yarn Co. has quickly become a cherished destination for fibre enthusiasts near and far. What began as a cozy 200 sq ft nook filled with fingering-weight yarn from Canadian small-batch dyers has blossomed into a vibrant 1,000 sq ft community hub for yarn lovers.

In just one year, The Itty Bitty Yarn Co. has expanded its offerings while staying true to its roots, supporting fellow small businesses and celebrating hand-dyed Canadian yarns. While indie and artisan yarns remain at the heart of the shop, you'll now find a thoughtfully curated selection of commercial brands joining the shelves.

The Itty Bitty Yarn Co. proudly features its own exclusive IBYC yarn line, available in a wide range of weights including Baby, DK, Worsted, Wool, Chunky, Bulky, and Squishy. They highlight exquisite hand-dyed yarns from renowned Canadian dyers such as MidKnit Cravings, Arcane Fibreworks, That Yarn Habit, and The Frosted Stitch. As well they are honoured to be one of only four brick-and-mortar locations across Canada chosen to retail the Provinces and Territories line by Timber Yarns.

But it's not just about the yarn, it's about connection. The shop has built a thriving base of students and regularly hosts engaging workshops, trunk shows, and special events. Their most popular classes focus on welcoming beginners to the world of knitting and crochet, helping new crafters find their stitch and spark their creativity.

Whether you're a seasoned knitter or just casting on for the first time, The Itty Bitty Yarn Co. offers more than a shopping experience, it's a space for inspiration, learning, and laughter. Come for the yarn, stay for the community!
