THE BEST LITTLE PORK SHOPPE

Passion for Pork, Love for Local

Since 1987, The Best Little Pork Shoppe has been a go-to destination in Shakespeare, Ontario for top-quality pork products and small-town service. Originally started by Linda and Gerry Knechtel, the business began with homemade whole-hog sausages sold straight from the back door of their house. Their passion for quality and community helped the business quickly grow into a dedicated storefront by 1990, earning a reputation across Southwestern Ontario for its signature smoked meats and friendly charm.

Today, the shop is owned and operated by Ben and Natalie Schelhaas, a husband-and-wife team with over 25 years of combined experience in professional kitchens, retail, and grocery. They've carried on the tradition of offering hand-selected, locally sourced pork cut, cured, and prepared with care. Whether you're looking for thick-cut smoked chops, farmers sausage, or a half pig package to fill the freezer, every product reflects their commitment to quality and craftsmanship.

Beyond pork, the shop offers a curated selection of locally made goods, including preserves, sauces, cheeses, and old-fashioned pantry items. Their shelves are stocked with Canadian-made products that support other small businesses and bring added value to the customer's table.

The Best Little Pork Shoppe has become a staple for locals, road-trippers, and foodies alike, welcoming customers with personal service, honest food, and time-honoured flavour. With seasonal specials and a strong presence at local events, the shop continues to thrive as a cherished part of Perth County's culinary landscape.

Whether you're planning a backyard BBQ, stocking up for winter, or just craving a perfectly smoked pork chop, The Best Little Pork Shoppe is worth the stop.
